

GOODYEAR® LAST MILE DELIVERY APPLICATION GUIDE

THE SMART TIRE CHOICES FOR EVERY TYPE OF LAST MILE FLEET.

Get the right tires to fit your fleet and your operations. Some fleets need to keep costs down now without sacrificing quality. Others have the flexibility to make purchases that help lower costs per mile.

Goodyear has the answer for both.

*Based on average projected miles to removal in fleet treadwear testing using tire size 235/65R16C 121R on 2016 and 2018 Ford Transit 250 cargo vans loaded to 8,716 pounds versus the following specified competitors. Average projected miles to removal: Goodyear® Wrangler Fortitude HT®: 37,925; Firestone® Transforce™ CV: 25,948; Continental® VancoFourSeason™: 28,459. Actual results may vary. | DuPont™ and Kevlar® are trademarks or registered trademarks of E.I. du Pont de Nemours and Company used under license by The Goodyear Tire & Rubber Company and affiliates.

DIFFERENT FLEETS HAVE DIFFERENT NEEDS

Wrangler® tires for last mile delivery vans have the strength and durability to stand up to some of the toughest routes and the heaviest loads.

Endurance tires, casings and retreads give last mile delivery fleets the confidence with best all-around traction, fuel efficiency and total cost of ownership with a ride engineered to perform.
