

G278 MSD[®] ***UNICIRCLE[®] RETREAD***

TOUGH SUPER SINGLE RETREAD FOR SEVERE SERVICE CONDITIONS

The G278 MSD Retread now features UniCircle Technology to improve uniformity and balance. Several additional features help extend tread life, increase durability, and enhance on- and off-road traction in severe conditions. This versatile retread works hard in challenging weather and footing conditions for multiple applications, including dump trucks, cement trucks, construction, mining, logging and oil field trucks.
